

Royal Belum

The pristine Royal Belum is nestled within the protected Belum Valley in Gerik. New species of trees and insects have been discovered in this 117,500-hectare virgin rainforest, which is also one of the few places in Malaysia where you can see the rare Rafflesia. Comprising a complex ecosystem, this state park is situated in the northern part of Lake Temengor and is a haven for mammals like the seladang, Asian Elephant, Malaysian Tiger and the endangered Sumatran Rhinoceros as well as birds such as the hornbills.

Must do: Go for jungle trekking, bird watching and wildlife sightings
