

# Klang Valley (Kuala Lumpur)

Klang Valley is awash with shopping malls and departmental stores catering to local and foreign masses.

The shopping triangle of Bukit Bintang alone bears testimony to the popularity of shopping in Malaysia.

Signature shopping landmarks include the Pavilion Kuala Lumpur, Starhill Gallery, Suria KLCC, Mid Valley Megamall, Sunway Pyramid, 1 Utama Shopping Centre, The Curve and The Gardens at Mid Valley City. Even so smaller malls and stores are plentiful, offering shoppers not only a wide range of local and imported items but also numerous sale seasons to enjoy.

Kuala Lumpur is the country's premier shopping hub, filled with merchandise ranging from international high end labels to exotic items off the street markets.
