

# 1Borneo Hypermall

1Borneo Hypermall is Sabah's largest shopping mall and is located about 10km away from the city centre.

The mall is home to restaurants (notably Sabah's only Nando's), fancy-label clothing, department stores, entertainment outlets, appliance stores and supermarkets.

1Borneo is home to 3 hotels, 3 apartment block towers, a cinema multiplex, night spots, a gym and a much-touted aquarium which, it is now safe to say, will probably never materialise.

Thanks to the large exhibition areas around the mall, 1Borneo Hypermall often hosts exhibitions and other events, which creates a beautiful traffic mess that the sloppy parking system is incapable of handling efficiently.
